- The difference between actuarial premium rate and the rate of insurance charges payable by farmers shall be treated as rate of normal premium subsidy, which shall be shared equally by the Central Government and Government of A.P. as per the procedure laid down by the GOI are adopted.

6. NOTIFICATION OF CALAMITY YEARS:

2013-14 & 2015-16 are the two calamity years where maximum area declared as calamity.

7. SEASONALITY DISCLIPLINE

Seasonality Discipline for deduction of premium/ acceptance of proposal /remittance to Implementing Agency/Insurance Company along with declaration by Branches / PACs /C.B./RRBs/ Co-operative Banks and other Authorized Intermediaries will continues to act as members of IA /Submission of yield data /settlement of claims is given in ***Annexure-VIII***

8. PROCEDURE FOR COVERAGE OF FARMERS:-

a) Each individual bank branches for Commercial the designated nodal under Banks / RRBs shall act as Nodal branch. Each DCCB will be Nodal Banks for PACs. The concerned Lead bank and Regional offices/ Administrative offices of PACs /commercial banks/ RRBs/APCOB will provide necessary guidelines to concerned bank branches and coordinate with them to ensure that all concerned branches submit the consolidated proposals to insurance companies well within the stipulated cut-off dates and also upload the soft copy of insured details in crop insurance portal.

b) Declaration/ proposal formats to be submitted by Nodal banks/ Branches shall contain details about Insurance Unit, sum insured per unit, premium per unit, total area insured of the farmers, number and category of farmers covered (small and marginal or other) and number of farmers under other categories (SC/ ST/ others) / Women along with their bank account details etc. (bank / their branches) as per the format envisaged / provided in the

crop insurance portal.

Loanee farmers (Compulsory coverage)

c) Whenever banks sanction loan for a notified crop in a notified area, the crop loan amount only to the extent of **Scale of Finance for notified crops** and acreage of individual notified crops of loanee farmers shall be taken into consideration for compulsory coverage, as per seasonality discipline. Based on seasonality of Crops, banks should separately calculate the eligibility of loan amount for both Kharif and Rabi seasons based on the scale of Finance and declared acreage under notified crops. Disbursing bank branch/ Primary Agriculture Cooperative Society (PACS) will prepare monthly statement of crop-wise and insurance unit-wise details of crop insurance with premium as per the seasonality discipline. Loan disbursing bank branch/ PACS will finance the additional loan towards premium amount payable by farmer for crop insurance.

d) Crop loans through Kisan Credit Cards (KCC) are covered under compulsory coverage and banks shall maintain all back up records and registers relating to compliance with PMFBY and its seasonality discipline and cut-off-date for submitting Declarations in case of normal crop loans. Bank branch will apportion coverage among insurable crops, based on acreage mentioned in loan application or on the basis of actual area sown as declared by the farmer.

e) Bank branches of commercial banks and RRBs/ Nodal Bank in case of PACS under its jurisdiction shall consolidate insurance proposals/ statements from their bank branch/ PACS under its jurisdiction, respectively and forward the same to insurance company along with details of remittance/ RTGS towards insurance premium, in accordance with cut off dates, as specified under seasonality discipline (Para 7 above) .

Non-loanee farmers (Optional coverage) through Channel partners

f) Farmers desirous of availing insurance shall fill up Proposal Form of the Scheme and submit the same to nearest bank branch or authorized channel partner or insurance intermediaries of insurance company.

g) In case channel partner is a Bank, farmers will submit duly filled up proposal form in the village branch of a Commercial Bank (CB) or Regional Rural Bank (RRB), or PACS (DCCB) with requisite insurance premium amount. Operating a bank account is essential for such cases. Branch/ PACS officials will assist the farmers in completing the insurance proposal form and provide necessary guidance. While accepting the proposal and premium, Branch/ PACS will be responsible for verification of eligible sum insured, applicable premium rate, etc. PACS will thereafter consolidate these particulars and send them directly/ to respective Nodal Banks respectively which will, in turn, submit crop-wise and insurance unit-wise

Crop Insurance Declarations in the prescribed format, along with the premium, within the stipulated time, to insurance company. However the bank branches of commercial banks/ RRBs will directly submit the consolidated proposals along with details of insured farmers in the format envisaged in the crop insurance portal within the stipulated time.

h) Non-loanee cultivators could also be serviced directly by any designated agencies, other authorized channel partners or insurance intermediaries, of the implementing agency/Insurance Company and they will act as a guide and facilitator wherein they will advise them the benefits and desirability of the Scheme and guide the farmers through procedures; collect requisite premium and remit individual/ consolidated premium to insurance company, accompanied by individual proposal forms and summary details in Declarations/ Listing sheet (MIS), provide soft copy to IA and details of each insured farmer and will also upload the data directly to the crop insurance portal.

i) While accepting the Proposal and the premium from aforesaid, designated agents, other authorized channel partner or insurance intermediaries, **it shall be the responsibility of Insurance Company or its designated agents to verify insurable interest and collect the land records, particulars of acreage, sum insured, crop sown etc., and applicable contract/ agreement details in case of share croppers / tenant farmers.** The designated intermediaries shall remit the premium with consolidated

proposals within 7 days. However, it is mandatory that the Non-loanee cultivators serviced by the designated intermediaries should hold a bank account in order to facilitate remittance of the claim, if payable.

Non-loanee Farmers (Optional coverage) - directly to Insurance companies

j) Non-Loanee farmer may submit insurance proposals personally / through post to insurance company with requisite premium. Non-loanee farmer can also avail insurance through 'on-line portal' of concerned insurance company or crop insurance portal designed by Government for the purpose. However, it is mandatory that Non-Loanee farmers, personally submitting proposals to insurance company or through crop insurance portal, should have insurable interest and submit necessary documentary evidence. The insured farmer forfeits the premium and the right to claim (if any) if the material facts furnished in the proposal form are wrong or incorrect.

k) Insurance companies retain the right to accept or reject insurance proposal(s) in case proposal is incomplete, not accompanied by necessary documentary proof or insurance premium ordinarily, within one month of receipt of proposal by Insurance Companies. If the proposal is rejected the insurance company will refund full collected premium.

l) Declarations/ proposals received from the Banks/ PACS after the cut-off date shall be summarily rejected and the liability, if any, for such declarations shall rest with the concerned bank. Therefore, the Banks/ Banks/PACS must not receive any proposal after the cut-off date of coverage. The Banks/ PACS must also ensure that the consolidated statement alongwith the premium amount is remitted to the insurance company within the stipulated time, failing which they shall be responsible for payment of claims, if any to the farmers. However, any dispute in the matter may be referred to the Department by the concerned State/ Agency.

m) The concerned branches of banks and Nodal Banks/ DCCBs in case of PACS will also collect the list of individual insured farmers (both loanee and non-loanee) with requisite details like name, father's name, Bank Account number, village, categories – Small and Marginal/ SC/ ST/ Women, insured acreage, details of insured land, insured crop(s), sum insured, premium collected, Government subsidy etc. from concerned branch in soft copy also for further reconciliation and send the same to the concerned insurance company within 15 days after final cut-off date for submission of Proposal/ Declaration to insurance company and also upload the same on the crop insurance portal. Same standard format of ` crop insurance portal will be utilized.

n) Insurance companies may also collect the requisite information in respect of non-loanee farmers from the channel partner in same formats. It is the responsibility of the concerned insurance companies to collect/obtain the details of the insured farmers (both loanee and non-loanee) from the bank/financial institutions/ intermediaries/ agents and facilitate the banks to upload the same on crop insurance portal.

o) Insurance Companies should also verify and be satisfied themselves about the coverage of farmers/ crops and up-load the same in their websites within a month preferably before approaching the Government to release the final installment of subsidy under the scheme.

p) CHANGE OF CROP :

Farmers covered, on voluntary basis, can buy insurance before actual sowing/ planting, based on advance crop planning. However, for any reason if a farmer changes the crop planned earlier, he should intimate the change to insurance company, **at least 30 days before cut-off-date for buying insurance or sowing**, through financial institution/ channel partner/ insurance intermediary/ directly; as the case may be, along with difference in premium payable, if any, accompanied by sowing certificate issued by concerned village/ sub-district level official of the State. In case the premium paid was higher, insurance company will refund the excess premium.

Similarly, loanee farmers can also change the name of insured crop from the original crops submitted in the loan application but such changes should be submitted in writing to the concerned bank branch well in advance so that their proposed crops should be insured. However changes of non-notified crops to notified crops without submitting the sowing certificate is not permissible.

9. LOSS ASSESSMENT AND CLAIM SETTLEMENT:

9.1. Wide Spread Calamities (based on season-end yield):

Assessment of Claims : If 'Actual Yield' (AY) per hectare of insured crop for the insurance unit (calculated on basis of requisite number of CCEs) in insured season, falls short of specified 'Threshold Yield' (TY), all insured farmers growing that crop in the defined area are deemed to have suffered shortfall in yield of similar magnitude. PMFBY seeks to provide coverage against such contingency.

'Claim' shall be calculated as per the following formula:

$$\frac{\text{(Threshold Yield - Actual Yield)}}{\text{Threshold Yield}} \times \text{Sum Insured}$$

Where, **Threshold yield** for a crop in a notified insurance unit is the moving average yield of past seven years (excluding a maximum of two calamity year(s) as notified by State Government/ UT) multiplied by applicable indemnity level for that crop.

And

Actual Yield for a crop in a notified area is the Actual Yield data furnished by Department of Economics and Statistics calculated on the basis of conduct of requisite number of Crop Cutting Experiments under single series and submitted to the respective Insurance company i.e. within the prescribed cut-off date along with results of individual CCEs to the Insurance Companies.

However, in instances where requisite number of CCEs could not be conducted due to non-availability of adequate cropped area, the yield estimate for such insurance units can be generated by 1. Clubbing with neighboring /contiguous unit or 2.Adopting yield estimate of next higher unit or 3. Adopting the yield of neighboring insurance unit with maximum correlation. The priority of theses method would be in the order of 1, 2 & 3.

In order to maintain the sanctity and credibility of CCEs as an objective method of yield estimation, the modalities mentioned below will be followed:

a) Insurance company would have complete access to co-witness the CCEs, as also the digital images of the CCEs and relevant data in the requisite form by the State Government. (As outlined in para XXIV.2.m of PMFBY OG) A formal letter with the schedule of CCEs would be given to the respective insurance company sufficiently in advance without fail to help them mobilize the manpower if they so desire.
b) Wherever the yield estimates reported at IU level are abnormally low or high vis-à-vis the general crop condition, the insurance company in consultation with State Government can make use of various products (e.g. Normalized Difference Vegetation Index, etc.) derived from satellite image data or other technologies to confirm the yield estimates. In case of significant differences between these two yield estimates, the matter should be referred to Technical Advisory Committee (TAC) at Centre and its decision shall be final.
c) Use of Mobile Phone Technology to improve Yield-data Quality and Timeliness
To increase the reliability, accuracy and speed of CCE data, it is mandatory to use smart phones / hand held devices for capturing images, location of the CCE and for online transmission of data on centralized server (e.g. Bhuvan server) would be done for faster

compilation of data and quick claim settlement. RST and Drones etc. may also be used for the purpose of increasing accuracy and speed of yield estimation through CCEs.

9.2 On Account Payment of Claims due to Mid-Season Adversity

1. It is proposed to provide immediate relief to insured farmers in case of **adverse seasonal conditions** during the crop season viz. **floods, prolonged dry spells, severe drought** etc., wherein **expected yield** during the season is likely to be **less than 50% of Threshold yield**.

a) Eligibility Criteria:

i. All notified Insurance Units would be eligible for "ON ACCOUNT" payment only if the expected Yield of the affected crop during the season is less than 50% of threshold yield.

ii. The provision would be **invoked for a specific crop or group of crops by the State Government through damage notification** based on the proxy Indicators which have tyo be spelt out in the damage notification.

iii. Insurance company may decide the quantum of likely losses and the amount of 'on-account' payment based on the joint survey of Insurance Company and state government officials.

iv. Only those farmers would be eligible for financial support under this cover who has paid the premium / the premium has been debited from their account before the date of issuance of damage notification by the state government .

v. **Maximum amount payable would be 25% of the likely claims**, subject to adjustment against final claims.

vii**. If adversity occurs within 15 days before the normal harvest time, this provision will not be invoked.**

5. **Proxy-Indicators**: Indicators to be used for loss intimation would be rainfall data, temperature and relative humidity data, satellite imagery and crop condition reports by district level state government officials, supported by media reports.

Loss assessment procedure:

i. Joint committee of State Government and the insurance company , for assessment of crop damage, would be formed and notified before start of the crop season for each district.

ii. This Joint Committee shall decide the eligibility for on-account payment based on the weather data (available AWS notified by the Government) /long term average rainfall data/satellite imagery supported by estimated yield losses at notified Insurance unit level and the extent of loss.

iii. Information/ Services of Mahalanobis National Crop Forecast Centre (MNCFC) may also be utilized for determination of extent of loss for on- Account payout.

iv. If the expected loss of the affected crop is more than 50% of the threshold yield for the Notified Insurance Unit, on-account payment would be payable.

v. On-account payment would be calculated as per following formula:

$$\frac{\text{(Threshold Yield - Estimated Yield)}}{\text{Threshold Yield}} \times \text{Sum Insured} \times 25\%$$

d**) Time frame for loss assessment and submission of report:**

i) An order will be issued by State Government defining eligibility of on account payment with details of damaged Insurance Units within 7 days from the occurrence of adverse seasonal event.

ii) Loss assessment report at the affected insurance unit level has to be completed by the joint committee within 15 days from occurrence of the adverse seasonal event.

e) Conditions:

i. Mere disbursement/ sanction of loan without receipt/ debit of premium before the notification of calamity would not make a farmer eligible for the claim.

ii. The on account payment would be disbursed by the insurance company only after receipt of Govt. Share of Subsidy.

iii. These claims would be adjusted from the end season area approach yield based claims.

9.3 Prevented / Failed Sowing and Prevented Planting / Germination Claims

1. It is proposed to provide insurance cover to farmers in case of widespread incidence of insured area being prevented from sowing/planting due to deficit rainfall/adverse seasonal conditions in respect of Paddy, Groundnut, Cotton in all the districts and Redgram in Ananthapur district. The district wise / crop wise cut off dates for invoking this provision are given in Annexure VIII

a) Eligibility Criteria:

i. The Notified Insurance Unit and crop wise normal area sown would be provided to the insurance companies by State Government

ii. Notified Insurance Units will be eligible for "Prevented Sowing/ Planting" pay-out only if more than 75% of Crop Sown Area for notified crop remained unsown due to occurrence of any of the above perils.

iii. The provision is invoked by State Govt. through Notification based on proxy indicators.

iv. Only those farmers would be eligible for financial support under this cover who have paid the premium / the premium has been debited from their account by the date of notification to this effect.

b) Proxy-Indicators: Indicators like rainfall data, other weather data, satellite imagery and crop condition reports by district level agricultural officer, media reports and area sown data released by district level agricultural officer .State Government

c) Loss assessment procedure:

i. State Government would declare a Notified Insurance Unit as having suffered Prevented or Failed Sowing/ Planting conditions with approximate areas in percentage of the unit.

ii The Lump sum payout under this cover would be limited to 25% of the sum insured and the insurance cover will be terminated.

d) Conditions:

i. Mere disbursement/ sanction of loan without receipt/ debit of premium before the notification of calamity won't make a farmer eligible for claim.

ii. The insurance company would disburse the claim within 30 days of the State's order / notification invoking the event of the insured risk provided the data on estimated area sown have been received from State Government.

iii. The pay-out under the cover would be disbursed by the insurance company only after the receipt of Government share of premium subsidy.

iv. Insurance Cover would terminate for the affected crop in a Notified Insurance Unit once a claim under this section is invoked and the Affected Insurance Unit/ Crop would not be eligible for area yield based claim calculated at the end of the season.

v. Once this provision is invoked, no fresh enrolment of farmers for the affected notified crops and areas would be done.

vi. Once exigency is invoked it applies to all the insured farmers in the Notified Insurance Unit for a given crop, including for those whose crop survived.

The state govt. would continue to provide area sown and yield data based on CCEs conducted in such areas within the cut- off date.

9.4 Post-Harvest Losses

1. It is proposed to provide for assessment of yield loss on individual plot basis in case of occurrence of **cyclone, cyclonic rains and unseasonal rains** resulting in damage to harvested crop lying in the field in 'cut and spread' condition up to maximum period of two weeks (14 days) from harvesting for sole purpose of drying. The list of crops for which this provision would be applicable is given in Annexure VIII

a) Eligibility criteria:
Available to all insured farmers, at farm unit level, affected by above mentioned perils in a Notified Insurance Unit growing notified above stated crops for which insurance have been availed.

b) **Proxy-Indicators**: Report in the local media or reports of the agriculture/ revenue department supported by media reports and other evidences.

c) Loss intimation procedure:

Time and method of reporting the loss/claims

i. Immediate intimation (within 48 hours) by the insured farmer to bank/ insurance company/ agriculture dept. officials through phone/ FAX.

ii. Intimation must contain details of survey number-wise insured crop and acreage affected.

iii. The banks would verify the insured details like crop insured, sum insured, premium debited and date of debit before sending the same to insurance company.

6. Documentary evidence required for claim assessment
• Duly filled Claim form along with all relevant documents is requisite for payment of claims. However, if information on all the columns is not readily available, semi-filled form may be sent to the insurance company and later within 7 days of the loss, filled form may be submitted.

• Evidence of crop loss through capturing pictures using mobile application, if any.

• Local Newspaper cutting to substantiate occurrence of loss event and severity of the loss, if any.

7. Appointment of Loss Assessors by the Insurance Company:
1) The loss assessors would be appointed by the insurance company for assessment of losses due to the operations of Localized Risks .

2) The loss would be jointly assessed by a team comprising of loss assessor appointed by the insurer, block level agriculture officer and the concerned farmer.

8. Important conditions:

- **i.** Mere disbursement/sanction of loan without receipt/debit of premium before the occurrence of insured peril would not make a farmer eligible for claim.
- **ii.** When affected area is limited upto 25% of total insured area in the notified insurance unit, the losses of eligible farmers would be assessed individually provided they have paid premium prior to occurrence of insurance peril.
- **iii.** If the affected area under notified crop is more than 25% of total insured area in a notified insurance unit all the eligible farmers(who have intimated about the occurrence of the calamity within the stipulated time) in the notified insurance unit would be deemed to have suffered post harvest loss and percentage of loss would be arrived at by the Joint committee.
- **iv.** The pay-out under the cover would be disbursed by the insurance company only after the receipt of Government share of premium subsidy.
- **v.** Maximum liability would be limited to proportionate Sum Insured of damaged cropped area.
- **vi.** The insurance company would disburse the claim, if payable within 30 days of survey of loss.
- **vii.** If, at the end of season, based on the yield data, claim is more than the claim under this cover, the balance would be paid at the end of the season under widespread claims.
- **viii.** Farmers getting enrolled or whose premium is debited after occurrence of insurance peril would not be eligible for financial support under this cover.

9.5 Localized Risks

1. It is intended to provide insurance cover at individual farm level to crop losses due to occurrence of localized perils/ calamities viz**. Landslide, Hailstorm and inundation** affecting isolated farms in the notified area.

a) Eligibility Criteria:

i. Available to all insured farmers, at farm unit level, affected by above mentioned perils in a Notified Insurance Unit growing notified crops for which insurance has been availed.

ii. Maximum liability is limited to proportionate Sum Insured of damaged crop's area. This would be based on the proportion of cost of inputs incurred during sowing period to the sum insured.

iii. Only those farmers would be eligible for financial support under this cover who have paid the premium/the premium has been debited from their account before occurrence of the insured peril.

iv. Maximum pay-out under this provision would be in proportion to cost of inputs, incurred up to the occurrence of insured peril, subject to the sum insured. If the payout under area approach (based on CCEs data) is more than localized losses, the higher claims of two will be payable to insured farmers.

v. If the affected area under a notified crop is more than 25% of the total insured area in a notified insurance unit, all the eligible farmers (who has taken insurance for the notified crop, which has been damaged, and informed about occurrence of calamity in the farm within the stipulated time) in the notified insurance unit would be deemed to have suffered localized loss and would be eligible for financial support. Percentage of loss would be arrived at by requisite percentage of sample survey (as decided the Joint Committee) of affected area by the insurance company.

b) **Proxy-Indicators**: Report in the local media or reports of the agriculture/ revenue department .

c) Time and method of reporting the loss/claims

i. Immediate intimation (within 48 hours) by the insured farmer to bank/ insurance company/ agriculture dept. officials /toll free number through phone/ FAX.

ii. Intimation must contain details of survey number-wise insured crop and acreage affected.

iii. Mobile application may be used for reporting incidents of localized risks for intimation of events including longitude/ latitude details and pictures using NRSC Mobile App.

iv. The banks would verify the insured details like crop insured, sum insured, premium debited and date of debit before sending the same to insurance company.

d) Documentary evidence required for claim assessment

• Duly filled Claim form along with all relevant documents is requisite for payment of claims. However, if information on all the columns is not readily available, semi-filled form may be sent to the insurance company and later within 7 days of the loss, filled form may be submitted.

• Evidence of crop loss through capturing pictures using mobile application, if any.

• Local Newspaper cutting to substantiate occurrence of loss event and severity of the loss, if any.

e) Appointment of Loss Assessors by the Insurance Company:

1) The loss assessors would be appointed by the insurance company for assessment of losses due to the operations of Localized Risks .

2) The loss would be jointly assessed by a team comprising of loss assessor appointed by the insurer, block level agriculture officer and the concerned farmer.

f) Important conditions:

i. Mere disbursement/sanction of loan without receipt/debit of premium before the occurrence of insured peril would not make a farmer eligible for claim.

ii. When affected area is limited upto 25% of total insured area in the notified insurance unit, the losses of eligible farmers would be assessed individually provided they have paid premium prior to occurrence of insurance peril.

Iii.The pay-out under the cover would be disbursed by the insurance company only after the receipt of Government share of premium subsidy.

iv. Maximum liability would be limited to proportionate Sum Insured of damaged cropped area.

v. The insurance company would disburse the claim, if payable within 30 days of survey of loss.

vi. If, at the end of season, based on the yield data, claim is more than the claim under this cover, the balance would be paid at the end of the season under widespread claims.

vii. Farmers getting enrolled or whose premium is debited after occurrence of insurance peril would not be eligible for financial support under this cover.

9.6. Procedure for Settlement of Claims to the farmers

1. The insurance company would disburse the claim only after receipt of govt. share in premium subsidy.

2.. In case of farmers covered through Financial Institution, claims shall be released only through electronic transfer, followed by hard copy containing claim particulars, to individual bank branches/ nodal banks / PACs which will credit into accounts of individual farmers within a week of receipt of funds from the Insurance companies and shall provide a certificate to the

insurance companies along with list of farmers benefited. Bank Branch should also display particulars of beneficiaries on notice board and also upload the same on crop insurance portal.

3. In case of farmers covered on voluntary basis through intermediaries/ directly, payable claims will be directly credited to the concerned bank accounts of insured farmers and details of the claims may also intimated to them. The list of beneficiaries may also be uploaded on the crop insurance portal immediately.

4. In case of claims under prevented/failed sowing, localized calamities, postharvest losses; insurance company will process the claims after assessment and shall release the claims as per the procedure.

5. Insurance companies shall resolve all the grievances of the insured farmers and other stakeholders in the shortest possible time.

9.7. Important Conditions /Clauses Applicable for Coverage of Risks

1. Insurance companies should have received the premium for coverage either from bank, channel partner, insurance intermediary or directly. Any loss in transit due to negligence by these agencies or non-remittance of premium by these agencies, the concerned bank / intermediaries shall be liable for payment of claims.

2. In case of any substantial misreporting by nodal bank /branch in case of compulsory farmers coverage, the concerned bank only shall be liable for such mis-reporting.

3. Mere sanctioning/ disbursement of crop loans and submission of proposals/ declarations and remittance of premium by farmer/ bank, without explicit intent to raise the crop, does not constitute acceptance of risk by insurance company.

4. Acreage discrepancy

Some areas in the past have reported excess insurance coverage vis-à-vis planted acreage, leading to over-insurance.

For the time-being, it is to be addressed as follows:

a) Wherever the 'acreage discrepancy' is likely, the acreage insured at IU level shall be compared with average planted acreage of past three years, and the difference is treated as 'excess' insurance coverage after taking into account sown area data of the Revenue authority.

b) Sum insured is scaled down in the proportionate ratio the average of three years' actual planted acreage bears to the insured acreage for the given crop.

c) Claims shall be calculated on the scaled down sum insured

d) Premium (farmer share and Central and State Government Subsidy) shall be refunded back to Government of India for the portion of sum insured scaled down and the amount may be utilised for improvement of technology/ research/ Impact assessment etc..

Once the individual farms (plots/ survey numbers) are digitized and available on a GIS platform, it is quite possible to overlay the crop cover as derived using satellite imagery on the GIS platform to identify the crop and estimate the cropped area on each farm. This should lead to identifying the acreage discrepancy at individual farm level.

10. EXCLUSION:

Losses arising out of war and nuclear risks, malicious damage and other preventable risks shall be excluded.

11. Commission and Bank Charges

Bank and other financial institutions etc. shall be paid service charges @ 4% of the premium collected from farmers. Banks have to submit there invoice as Rural agents engaged in providing insurance related services to farmers would be paid appropriate commission as decided by the insurance company, subject to cap prescribed under IRDA regulations.

12. Service Tax

PMFBY is a replacement scheme of NAIS/MNAIS, and hence exempted from Service Tax.

13. Role and Responsibilities of Various Agencies

Roles of various Agencies/Institutions/Government Departments/Committees as spelt out in PMFBY OG are reproduced here under:-

13.1.State / UT Governments:

a) District Level Monitoring Committee (DLMC) would provide fortnightly crop condition reports and periodical reports on seasonal weather conditions, loans disbursed extent of area cultivated, etc. to concerned insurance company. DLMC shall also monitor conduct of CCEs in districts.

c) Uploading of requisite information of notification on the crop insurance portal in coordination with the selected Implementing Insurance Companies within one week from the date of notification.

h) Issuance of necessary instructions to Regional Meteorological Centres of IMD and other government/ quasi government agencies for supplying weather data on real-time basis to insurance company.

j) To undertake extensive awareness and publicity campaigns of Scheme amongst farming community through agriculture and extension Departments to maximize coverage of the farmers specially non-loanee farmers.

l) To furnish to the insurance companies the insurance unit wise area sown of insured crops within two months from the sowing period.

m) Assist insurance companies for assessment of crop loss of individual insured farmers caused by localized perils and also assist in post-harvest losses.

o) Will Allow insurance companies to co-observe and witness CCEs, and permit them to access various records including Form-2 / Table-B at grass root / district / state level used for recording data of CCEs by States. Audio/Video recording of CCEs shall be implemented besides other process to ensure accuracy of CCE.

13.2 Insurance Companies (IA)

a) Insurance companies to liaise with State Governments and agencies/ institutions / committees involved in implementation of PMFBY.

b) Furnish the necessary data / information to SLCCCI as may be required as per the notification.

c) Underwriting –responsibilities of processing and acceptance of risk.

d) Claim processing / finalization on receipt of yield data from States/UTs and payment within the prescribed timelines.

m) Redressal of all Public Grievances within the time fixed by IRDA.

13.3. Financial Institutions/Banks

a) to Communicate Notification, as well as other directives, guidelines, etc. to all agencies within their jurisdictional area.

b) Ensure that all agencies within their jurisdictional area sanction additional loan component to loanee farmers towards premium payable by them.

c) Ensure that all service (subordinate) bank branches within their jurisdictional area serve all non-loanee farmers desiring and eligible to take insurance cover under PMFBY. Such service will include opening bank account of non-loanee farmers, guiding them to fill up proposal forms, accepting premium from them and maintaining records etc.

d) Ensure that, for both loanee and non-loanee farmers separately, premium and related data is remitted to nodal bank , wherever applicable, within the prescribed time.

e) Lead bank/Nodal Banks should ensure that all the eligible crop loans/seasonal operational loans taken for notified crop(s) are fully insured and the conditions stated in the declarations submitted have been complied with. No farmer should be deprived from insurance cover. Nodal banks therefore, should make all out efforts and pursue their branches for enrolling all eligible loanee farmers and interested non-loanee farmers under crop insurance.

In case, claims have arisen during crop season then respective bank and its branches would be responsible to make payment of the admissible claims to loanee farmers who were deprived from insurance cover to their crops.

f) Concerned Bank and it's branches should ensure submission to insurance companies within stipulated time the notified crop-wise, insurance unit-wise Declarations in prescribed format, along with consolidated Premium payable separately for both loanee farmers and non-loanee farmers. If Concerned Bank and it's branches keep the amount of premium collected beyond the defined timelines then they will be liable to pay interest (at prevailing rate of interest for saving account) for the delay period to the insurance company.

g) Nodal bank/Branches will also arrange for onward transmission to service (subordinate) bank branches / PACS, compensation amounts as received from insurance companies with all details, to be credited to beneficiary accounts.

h) The Nodal Banks/Administrative offices would also collect the list of individual insured farmers with requisite details like name, fathers' name, Bank Account number, village, categories –Small and Marginal /SC /ST /Women, insured acreage, insured crop(s), sum insured, premium collected, Government subsidy etc. from concerned PACS/ Bank Branch in soft copy for further reconciliation and send the same to the concerned insurance company within 15 days after final cut-off date for submission of proposal to insurance company.

i) The insurance company shall acknowledge all the declarations submitted by the banks mentioning the details of crop, area, sum insured etc. The banks should cross check with their records and aberrations, if any, should be brought to the notice of the insurance company immediately. If no response is received from banks within15 days, the details given in the acknowledgement shall be considered final and no changes would be accepted later on.

j) To credit the claim proceeds of PMFBY received from insurance company to respective beneficiary bank account within seven days. If Bank Branches/Nodal banks keep the claims amount beyond the defined timelines then they will be liable to pay interest (at prevailing rate of interest for saving account) for the delay period to the eligible farmers. The list of beneficiary cultivators with claim amount shall be displayed by the Branch/ Primary

Agricultural Cooperative Society (PACS) and a copy shall also be provided to the Chairman/ Sarpanch/ Pradhan of the village Panchayat. The Banks shall issue a certificate to the insurer that entire money received for settlement of claims has already been credited into the account of beneficiaries.

k) Soft copy of the beneficiary' farmers would also be uploaded directly on Crop Insurance portal by bank branch/ PACS through Nodal Bank to concerned Insurance companies for uploading the same in their web-site.

l) To permit insurance company with access to all relevant records / ledgers at the Nodal Bank/ Branch/ PACS at all times for the purpose of implementation of the scheme.

m) Banks should ensure that cultivator may not be deprived of any benefit under the Scheme due to errors/ omissions/ commissions of the concerned branch/ PACS, and in case of such errors, the concerned institutions shall only make good all such losses.

13.4 Lending Banks / RFIs

a) To educate the cultivators on the Scheme features.

d) To maintain the records of proposal forms, the other relevant documents and statements for the purpose of scrutiny/ verification by insurance company or its authorized representatives and DLMC.

e) Allow insurance company access to all relevant records and registers at offices of Nodal Bank and service (subordinate) bank branches within their jurisdictional area.

f) To capture all relevant data including land and crop details of all loanee farmers covered compulsorily as well as non loanee farmers availing crop insurance through them. Under administrative mechanism, banks are designated as terminal service points for farmers. Hence, it is their duty to ensure compulsory coverage of all eligible loanee farmers and all interested non-loanee farmers. In case of any misreporting by Nodal Bank / branch / PACS in case of farmers coverage, concerned bank only will be liable for such misreporting and its consequences.

13.5 Designated Insurance agents

a) To educate the cultivators on the Scheme features.

b) To guide the cultivators for filing up the insurance proposal in the prescribed forms and collecting the required documents from Non- Loanee cultivators.

c) Underwrite and collect the premium on behalf of Insurance Company, strictly as per the provisions of the scheme.

d) To prepare the consolidated statements of Non-Loanee cultivators and forwarding the same to the insurance company along with the premium amount well within the stipulated time.

e) The designated Insurance agents shall also prepare the list of individual insured farmers with requisite details like name, fathers' name, Bank Account number, village, categories – Small and Marginal/ SC/ ST/ Women, insured acreage, insured crop(s), sum insured, premium collected, Government subsidy etc. in soft copy and send the same to the concerned insurance company within five days after final cut-off date.

f) The designated Insurance agents should ensure that insured farmers may not be deprived of any benefit under the Scheme due to errors/ omissions/ commissions of them, and if any, the concerned agents / insurance company shall only make good all such losses. Necessary administrative and legal action may also be taken for lapses in service/ malpractices, if any, reported.

13.6 Loanee farmers

a) As the Scheme is compulsory for all loanee cultivators availing SAO loans for notified crops, it is mandatory for all loanee cultivators to insist on insurance coverage as per provisions of the Scheme.

b) Any change in crop plan should be brought to the notice of the bank within one week of sowing.

c) Insurance Proposals are accepted only upto a stipulated cut-off date, which will be decided by the SLCCCI.

d) Give information of any loss due to localized risk or post harvest loss due to specified perils of cyclone, cyclonic rains and unseasonal rains resulting in damage to harvested crop lying in field in "cut and spread" condition to concerned bank branch/ financial institution/channel partner / insurer within 48 hours.

13.7.Non-Loanee cultivators

a) Non-Loanee cultivators desirous of availing insurance under PMFBY for any notified crop in any notified insurance unit may approach nearest bank branch/ PACS/ authorized channel partner/ insurance intermediary of insurance company within cut-off date, fill-up proposal form completely in prescribed format, submit form and deposit requisite premium to bank branch/ Insurance Intermediary along with necessary documentary evidence regarding his insurable interest in cultivating land/ crop (e.g. ownership/ tenancy/ cultivation rights) proposed for insurance.

b) The farmer desiring for coverage should open/operate an account in the branch of the designated bank, and the details should be provided in the proposal form.

c) The farmers should mention their land identification number in the proposal.

d) The farmer must provide documentary evidence with regard to possession of cultivable land.

e) The cultivator must furnish area sown confirmation certificate.

f) The farmer should ensure that he gets insurance coverage for a notified crop(s) cultivated/proposed to be cultivated, in a piece of land from a single source. In other word, Double insurance is not allowed. The insurance company shall reserve the right to repudiate all such claims and not refund the premium as well in such cases.

g) Give information of any loss due to localized risk or post-harvest loss due to specified perils of cyclone, cyclonic rains and unseasonal rains resulting in damage to harvested crop lying in field in "cut and spread" condition to concerned bank branch/ financial institution/ channel partner / insurer within 48 hours.

Note: The implementation of the scheme will be governed by operational guidelines on PMFBY and administrative approval issued by DAC/FW, GOI. In the event of any conflict in provisions in this notification and operational guidelines for PMFBY issued by DAC/ FW, GOI, latter will prevail.

Scope of cover

The Company hereby agrees, subject to the terms, conditions and exclusions herein contained, or otherwise expressed herein, to compensate the insured, in the manner specified herein, against the likelihood of diminished agricultural output or yield resulting

from losses as mentioned in the PMFBY Operational Guidelines of GoI within a specific geographical location and specified time period, subject a maximum of the Sum insured as specified.

Exclusions

The Company shall not be liable to make any payment under this policy in connection with or in respect of any expenses whatsoever incurred by any insured in connection with or in respect of any losses to crop caused by or resulting from:

Ionizing radiations or contaminations by radioactivity from any nuclear waste from the combustion of nuclear fuel.

The radioactive, toxic, explosive or other hazardous properties of any explosive nuclear assembly or nuclear component thereof.

The Company shall not be liable to make any payment under this policy with or with respect to any expenses incurred by any insured in connection with or in respect of any loss, howsoever caused, other than on account of losses to crop within a specific geographical location and specified time period as enumerated in the guidelines of the GoI, even if such loss results in diminished agricultural output or yield.

Basis of assessment of claims

Your PMFBY Cover is based on the measurements of crop yield at the specific notified areas. Please select the notified area carefully out of the notified areas as per guidelines issued in the government notification based on the location of land insured .Your right to receive payment under the present PMFBY policy is contingent upon the crop yields obtained through Crop Cutting Experiments (CCEs) in the notified area and not upon conditions at any other location. Yields at your notified area obtained through CCEs may vary significantly from the yields at your farming location. This variance will depend on many factors, including but not limited to distance and geography, all of which should be taken into account when determining if your PMFBY cover will .provide an effective protection against crop yield losses.

In the event that, in the notified area and during the time period specified, the observed yield is of a materially lesser than the Threshold yield, the benefit payable to the insured shall be according to the percentage of shortfall in yield as compared to threshold yield subject to a maximum of Sum Insured as specified.

Claim Procedure

Insurance company would collect yield data from the relevant Government department and compute shortfall from the Threshold yield. Based on the deviation, upon eligibility of claim, company would payments to eligible farmers directly into the account of the farmer through NEFT. In cases where NEFT facility is not available, claim payment shall be made through cheque.

Please note that the claim payment shall be made post receipt of complete premium amount.
